Digital outreach

It's about the audience

Don't make them come to us

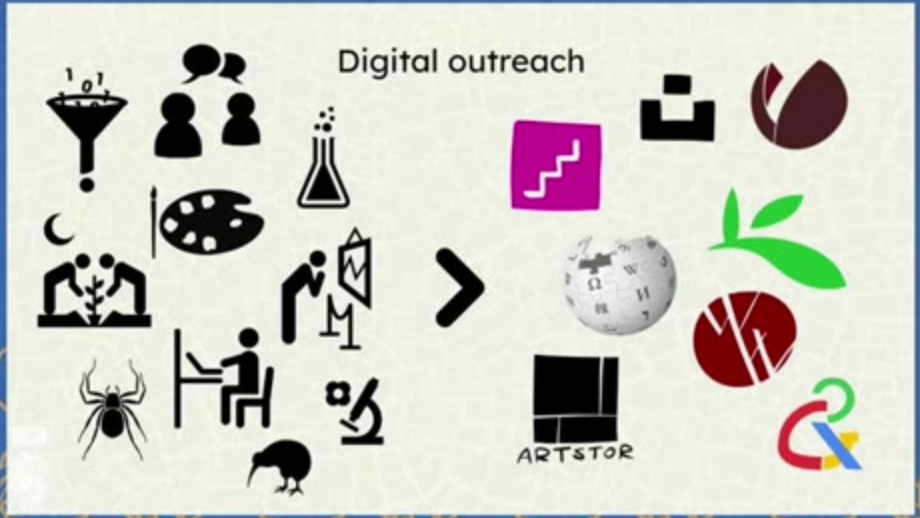

Be where they are

They can use what we have, even if they don't know us

What we didn't do

Inclusion of Mātauranga Māori

Lack of team knowledge and relationships

Need for structural solutions

Load all possible images

Going deep rather than wide

Not the only way to share

Focus

Think strategically

Organisations *love* strategy

Set a scope

Stick to what's doable

Richness of GLAMs

Use the advantages of being a GLAM

Build on work already done

Use your strengths
